| Total | \$18, 454.72 |

2ND Notices need to be mailed. Dee will send Roxanne information and Roxanne will get them out by next week. Actual cost per park for permits and architect sign off came to \$500.00 per pavilion. Payment for grass cutting and cement floors for picnic pavilions have not been made.

OLD BUSINESS:

PICNIC PAVILIONS

Pavilions in Blue Mountain Park and Winter Park have been or are almost complete minus cement floors. Floor will be poured all at the same time after structures have been completed.

PICNIC

Rock Wall and Recreation Station have been reserved. Tables and chairs have also been reserved. Check to be given day of the picnic. Discussed t-shirt tie dying and face painting. Since there have been no volunteers to run these, it was decided that we did not need to have either of these and that more people would then choose to participate in the rock climbing wall and games the Recreation Station provides. Roxanne will be responsible in encouraging residents to participate in these activities.

MAINTENANCE

Nothing has been done as far as playground equipment and sign painting so there is still opportunity for residents to volunteer to help in these areas.

NEWSLETTER

Dee will send a newsletter out with corrected picnic date and a list of games provided by the Recreation Station and picnic details.

NEW BUSINESS:

Don Conger's email was read and discussed. Roxanne will write a response and give to the other board members for preview before sending back to him.

Meeting was adjourned at 8:03PM.

Next meeting will be Tuesday, September 20th at 7:00PM at the Township Hall. Board will not be meeting in June, July or August. See you at the Picnic!

Respectfully submitted, Roxanne Henke
