

**Parkwood Estates Homeowner Association
for
Smokler Truesdell Subdivision
Minutes for September 13, 2022 Board Meeting**

Our meeting was cancelled due to a teleconference problem. A few items on the agenda had been addressed prior to the scheduled meeting as noted below.

Voting Between Meetings: The minutes for the May meeting was reviewed, minor revisions made, and approved via email

Parks Report: John has replied to Mr. Stanford's email which had four issues noted. Thanks to Mr. Stanford for the notification. He was told he could cut up the broken wood table to dispose of the pieces. Thank you, Mr. Stanford, for the help. The pile of sticks at the new park entrance sign should be cleared within the week. Weeds in the play area are to be removed next week. The melted trash can should be replaced by a new one to be procured soon.

Board Positions Filled: Two persons have stepped up to join our board of directors. Welcome to Nazifa Karima and Tim Schantz.

The next scheduled meeting is October 11, 2022, 7 pm

Respectively submitted,
Mike Cappuccitti
